ARTICLE 3: PARTICIPATION

Section 3.1 Participant

Any REALTOR® member of the Richmond Association of REALTORS®, Inc., the Southside Virginia Association of REALTORS® or any other association who is a principal, partner, corporate officer or branch manager acting on behalf of a principal, without further qualification, except as otherwise stipulated herein, shall be eligible to participate in the MLS upon agreeing in writing to conform to the

CVR MLS Rules and Regulations thereof and to pay costs incidental thereto. However, under no circumstances is any individual or firm, regardless of membership status, entitled to Multiple Listing Service "membership" or "participation" unless they hold a current, valid Virginia real estate broker's license and offer or accept compensation to and from other Participants or are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property. Use of information developed by or published by the MLS is strictly limited to the activities authorized under a Participant's licensure(s) or certification and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey "participation" or "membership" or any right of access to information developed by or published by the MLS where access to such information is prohibited by applicable law. Any person who qualifies for participation in the MLS shall be a Participant.

Mere possession of a broker's license is not sufficient to qualify for MLS participation. Rather, the requirement that an individual or firm 'offers or accepts cooperation and compensation' means that the Participant actively endeavors during the operation of its real estate business to list real property of the type listed on the MLS and/or to accept offers of cooperation and compensation made by Listing Participants or agents in the MLS. "Actively" means on a continual and on-going basis during the operation of the Participant's real estate business. The "actively" requirement is not intended to preclude MLS participation by a Participant or potential Participant that operates a real estate business on a part time, seasonal, or similarly time-limited basis or that has its business interrupted by periods of relative inactivity occasioned by market conditions. Similarly, the requirement is not intended to deny MLS participation to a Participant or potential Participant who has not achieved a minimum number of transactions despite good faith efforts. Nor is it intended to permit an MLS to deny participation based on the level of service provided by the Participant or potential Participant as long as the level of service satisfies state law.

The key is that the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation with respect to properties of the type that are listed on the MLS in which participation is sought. This requirement does not permit an MLS to deny participation to a Participant or potential Participant that operates a Virtual Office Website ("VOW") (including a VOW that the Participant uses to refer customers to other Participants) if the Participant or potential Participant actively endeavors to make or accept offers of cooperation and compensation. An MLS may evaluate whether a Participant or potential Participant "actively endeavors during the operation of its real estate business" to "offer or accept cooperation and compensation" only if the MLS has a reasonable basis to believe that the Participant or potential Participant is in fact not doing so. The membership requirement shall be applied on a nondiscriminatory manner to all Participants and potential Participants.

Section 3.2 Subscriber

Subscribers are Non-principal (Associate) brokers and real estate licensees who possess a valid real estate license and are licensed with an MLS Participant may become agent Subscribers of CVR MLS ("Subscriber"). Subscribers are responsible for all MLS services fees, compliance with MLS Rules and Regulations and the limitations and restrictions of state law. Subscribers shall be eligible to participate in the Multiple Listing Service upon Subscriber agreeing in writing to conform to the CVR MLS Rules and Regulations and to pay the required fees for Subscriber access. Participant must authorize Subscriber access requests.

Section 3.3 Administrative User

Affiliated administrative and clerical staff who provide support to Participants and Subscribers are eligible to apply for Administrative User Access subject to certain limitations as may be approved by the CVR MLS Board of Directors. The Participant is responsible for the Administrative User and his or her compliance with CVR MLS rules and regulations and the limitations and restrictions of state law. Administrative Users shall be eligible to participate in the Multiple Listing Service upon the Participant and the User agreeing in writing to cause the Administrative User to conform to the CVR MLS Rules and Regulations and to pay the required fees for Administrative access. The responsible Participant must authorize all Administrative User access requests

Section 3.4 Assessor User

City or county real estate assessors for localities within the jurisdiction of CVR MLS may become Assessor users (“Assessor User”). Assessor Users are responsible for all MLS services fees (if any) and must agree to comply with CVR MLS Rules and Regulations and the limitations and restrictions of state law.

MLS passwords are provided upon completion of the training. During the time between application for MLS access and receipt of a password, MLS staff can add or modify listing information for the Participant or Subscriber for a fee as determined by the CVR MLS Board of Directors.

Participants and Subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) hours in any twelve (12) month period when deemed necessary by the MLS to familiarize Participants and Subscribers with system changes or enhancement and/or changes to MLS rules or policies. Participants and subscribers must be given the opportunity to complete any mandated additional training remotely.

Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. Rev 5/2/13

Section 4.4 Verification of Listing Data

CVR MLS does not verify Listing Content provided by Participants and Subscribers and disclaims any responsibility for its accuracy. Any information provided by CVR MLS to any User shall be considered confidential, including without limitation, the MLS Database, the IDX Database, any User's password to the MLS Database and IDX Database, any printouts of the MLS Database and IDX Database as provided under these Rules and Regulations, and all Participant's Listings, including personal information of a Seller included in a Participant's Listing ("Confidential Information"). Confidential Information shall be maintained by the User as confidential and available exclusively for the use by CVR MLS Participants, Subscribers, Administrative Users and Assessor Users. CVR MLS Users shall not disclose any Confidential Information to anyone, except as expressly allowed under these Rules and Regulations, or as ordered by a court of competent jurisdiction or as otherwise required by law. CVR MLS Users shall not disclose any Confidential Information pursuant to a court order or as required by law until the applicable Participants, Subscribers, Administrative Users and Assessor Users has given CVR MLS ten (10) days prior written notice and an opportunity to oppose such disclosure. Notwithstanding the foregoing, Participants and Subscribers may disclose individual Listings maintained in the MLS Database in the ordinary course of Participant's or Subscriber's real estate or appraisal business.

Section 4.6 Password Use

A confidential password is issued to each authorized User upon completion of the MLS training requirement. For security purposes Users are periodically required to change their passwords. Access to the MLS Database is restricted to Users. Any User who allows another User or unauthorized party to utilize their personal user name and password to gain access to the MLS Database or use of the MLS Database or any derivative thereof shall be subject to a fine.

Section 4.7 Listing Compliance

Each Participant and Subscriber agrees to take all actions necessary to maintain Listing Content in compliance with the terms and conditions of these Rules and Regulations.

Section 4.8 Representations and Warranties

By the act of submission of Listings to CVR MLS, the Participant and Subscriber represent and warrant that:

- A.** The Participant has been authorized to grant and also thereby does grant authority for CVR MLS to include the Listings in the MLS Database and also in any statistical report on comparable data. ARTICLE 6: COOPERATIVE COMPENSATION

The Central Virginia Regional MLS, LLC (CVR MLS), Williamsburg Multiple Listing Service, Inc. (WMLS) and Chesapeake Bay and Rivers Property Services Inc. (CBAR PS), are members of the Commonwealth MLS Cooperative. In filing a property with CVR MLS, the Participant of the service is making blanket unilateral offers of compensation to the other MLS participants of Central Virginia Regional MLS, LLC (CVR MLS), Williamsburg Multiple Listing Service, Inc. (WMLS) and Chesapeake Bay and Rivers Property Services Inc. (CBAR PS),, and shall therefore specify on each listing filed with the service, the compensation being offered to the other MLS participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell.

Entitlement to compensation is determined by the cooperating Participant’s performance as procuring cause of the sale (or lease). While offers of compensation made by Listing Participants to cooperating Participants through CVR MLS, CBAR PS and WMLS are unconditional, a Listing Participant’s obligation

to compensate a cooperating Participant who was the procuring cause of sale (or lease) may be excused if it is determined through arbitration that, through no fault of the Listing Participant and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the Listing Participant to collect a commission pursuant to the Listing agreement. In such instances, entitlement to cooperative compensation offered through CVR MLS, CBARPS and WMLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the Listing Participant to collect some or all of the commission established in the Listing agreement; at what point in the transaction did the Listing Participant know (or should have known) that some or all of the commission established in the Listing Agreement might not be paid; and how promptly the Listing Participant communicated to cooperating Participants that the commission established in the Listing agreement might not be paid.

Section 6.1 Cooperating Participant Compensation

The Listing Participant shall specify in all appropriate MATRIX Database fields, the compensation offered to other Participants for their services acting as, buyer agents, or in other agency or non-agency capacities as defined by law in the sale, lease or exchange of such Listing. The Listing Participant retains the right to determine the amount of compensation offered to other cooperating Participants, which may be the same or different than the Listing Participant's compensation.

Section 6.2 Compensation Remarks: Deleted 5/2/13

Section 6.3 Forms of Compensation

Compensation shall be shown in one of the following forms:

- a.) A percentage (%) of the gross sale lease or exchange price. In the case of rental properties, the percentage shall be based on the first month's rental amount, or
- b.) A definite dollar (\$) amount.
- c.) Structured compensation

Section 6.4 Modified Compensation

The Listing Participant shall not be precluded from offering any cooperating Participant compensation other than the compensation published in the MLS Database provided the Listing Participant informs the other Participants in advance of their submitting an offer to purchase and provided that the modification in the specified compensation is not the result of any agreement among all or any other Participants in CVR MLS.

Section 6.5 Dual/Variable Compensation Arrangements

The existence of a dual or variable rate compensation arrangement must be noticed to other Participants and Subscribers by placing a "Y" in the appropriate compensation field. The Listing Participant shall in response to inquiries from potential cooperating Participants and Subscribers disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results through the efforts of the Seller. If the cooperating Participant or Subscriber is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client submits an offer to purchase or lease.

Section 6.6 Reference to Additional Properties

An offer of compensation shall apply to Listings formally entered into the CVR MLS MATRIX system, and shall not apply to any other listing. A cooperating Participant shall not assume the offer of compensation entered for a CVR MLS Listing will apply to a property referenced in the "Remarks" section of the Listing. The Cooperating Participant or Subscriber must inquire of the Listing Participant or Subscriber as to what compensation, if any, is being offered for the sale of such referenced property.

ARTICLE 7: SHOWING AND SELLING PROPERTIES

Section 7.1 Showings and Negotiations

All dealings concerning property exclusively listed, or with buyers/tenants, who are exclusively represented, shall be carried on with the Listing Participant, and not with the customer, except with the consent of the Listing Participant or when such dealings are initiated by the clients or customers. Any listing filed with the service shall not be made available to any broker or firm not a member of the MLS without the prior consent of the listing broker. Only the sign of the listing broker may be placed on the property.

Appointments for showing and negotiations with the Seller for the purchase of listed property filed with the CVR MLS shall be conducted through the Listing Participant except under the following circumstances:

- A. The Listing Participant gives the cooperating Participant specific written authority to show and/or negotiate directly, or;
- B. If, after a reasonable effort, the cooperating Participant/Subscriber cannot contact the agent contact listed in the MLS, the Cooperating Participant/Subscriber may contact the Firm broker to make arrangements for showing access or offer presentation.

Practice Note: Cooperating Participants and Subscribers may not contact the Seller of a property or access a lockbox installed on the property unless the Listing contains stated instructions to go direct and use the lockbox or contact Seller/tenant directly.

Section 7.2 Presentation of Offers

The Listing Participant shall make arrangements with the Seller to present an offer as soon as possible or give the cooperating broker a satisfactory reason for not doing so.

Section 7.3 Submission of Subsequent Offers

The Listing Participant shall submit to the Seller all written and verbal offers (including offers received after a contract has been signed) until closing or lease ratification unless precluded by law, government rule, regulation, or as agreed otherwise in writing between the Seller and the Listing Participant/Subscriber. Unless the subsequent offer is contingent upon the termination of the existing contract, the Listing Participant shall recommend that the Seller obtain the advice of legal counsel prior to acceptance of the subsequent offer.

Section 7.4 Counter Offers

Participants and Subscribers representing buyers or tenants shall submit to the buyer or tenant all offers and counter offers until acceptance and shall recommend that buyers and tenants obtain legal advice where there is a question about whether a pre-existing contract or lease has been terminated.

Section 7.5 Rights of Cooperating Participant

The Cooperating Participant has the right to participate in the presentation to the Seller of any offer he/she secures to purchase or lease. The Cooperating Participant does not have the right to be present at any discussion or evaluation of that offer by the Seller and the Listing Participant. However, if the Seller gives written instructions to the Listing Participant that the Cooperating Participant not be present when an offer the Cooperating Participant secured is presented, then the Cooperating Participant has the right to receive a copy of the Seller's written instructions. None of the foregoing diminishes the Listing Participant's right to control the establishment of appointments for such presentations.

Section 7.6 Right of Listing Participant in Presentation of Counter-Offer

The Listing Participant has the right to participate in the presentation of any counter-offer made by the Seller. The Listing Participant does not have the right to be present at any discussion or evaluation of a counter offer by the purchaser or Lessee. However, if the Purchaser or Lessee gives written instructions to the Cooperating Participant/Subscriber that the Listing Participant not be present when a counter-offer is presented, then the Listing Participant has a right to receive a copy of the Purchaser's or Lessee's written instructions. None of the foregoing diminishes the cooperating Participant's right to control the establishment of appointments for such presentations.

Section 7.7 Advertising – Moved to 4.9.2

Section 7.8 Sold/Contract Pending Signs

Prior to closing, the "Sold" or "Contract Pending" signs of the selling Participant may not be placed on a property, unless the Listing Participant authorizes the Cooperating Participant to post such a sign.

Section 7.9 Distribution of Tax Record Information

Participants/Subscribers are permitted to advertise public tax record information pertaining to closed transactions.

Section 7.10 Reporting Pending Sales

All ratified offers to purchase, exchange or lease must be reported to CVR MLS and the new Listing status change entered into the MLS Database. All transactions should be pended promptly, but not later than Five (5) days from contract, exchange or lease ratification. The Listing Participant should exercise discretion in revealing the sale or lease price prior to settlement. CVR MLS does not accept responsibility for the disclosure of such information.

If negotiations were carried on under Section 7.1 A or B of these Rules and Regulations, the cooperating Participant shall report contract ratification to the Listing Participant within seven (7) days after the occurrence and the Listing Participant/Subscriber shall report the pending status to the MLS within seven (7) days of receiving notice from the cooperating broker.

Practice Note: Listing participants/Subscribers may return a listing to active status ONLY after a release has been executed by the purchaser and seller or the contract has been legally terminated and no longer in effect. Sellers have no authority to request or demand that a listing be returned to active status in the MLS. ARTICLE 9: COMPLIANCE AND ENFORCEMENT PROCEDURES

Section 9.1 Deleted May, 2014

Section 9.2 Violation Reporting

Violations of CVR MLS Rules and Regulations are discovered in several ways. Regular audits are performed by CVR MLS staff, but peer review also plays an important part in identifying inconsistencies and non-compliance. Participants and Subscribers may report alleged violations by using the Report a Listing function in Matrix by calling 804-422-5000.

Section 9.3 Authority to Impose Sanctions

By becoming and remaining a participant or subscriber in CVR MLS, each Participant and Subscriber agrees to be subject to the rules and regulations and any other CVR MLS governance provision. CVR MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration

- d. appropriate, reasonable fine not to exceed \$15,000
- e. probation for a stated period of time not less than thirty (30) days nor more than one (1) year
- f. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year

CVR MLS distributes all violation and fine notices via e-mail. All Participants and Subscribers are required to provide CVR MLS with a valid contact email address. Not having an e-mail address or having an incorrect email address on file with CVR MLS does not excuse a Participant or Subscriber from their responsibility to pay assessed MLS fines or respond to notices within the specified time periods.

Section 9.5 Multiple Violations

Multiple Violations of the CVR MLS Rules and Regulations - If a Participant or Subscriber has six (6) or more un-refuted Notices of Violation within a calendar month, or six (6) violations of the same rule within a in a calendar year the Participant or Subscriber will be fined \$ 500.00. This fine will apply regardless of whether the underlying violations were corrected and/or a fine was assessed for the individual violations.

Practice Note: The goal of the MLS compliance process is to maintain the quality and integrity of the MLS database. The intent of Section 9.5 is to address repeat violations of the same rule and patterns of consistent rule violation. The violation count includes violations that are corrected within five (5) of receipt of a violation notice. So it is important to respond to all violation notices promptly and to notify the MLS if you dispute the finding of violation. The I Check software will occasionally recognize some data or lack thereof as a violation. In the case of this sort of false positive situation, you should respond to the notice and provide an explanation.

Section 9.6 Notice of Fine

If a violation is corrected within five (5) days of the date of the Notice of Violation, or satisfactory evidence refuting the alleged violation is submitted to CVR MLS staff within Participant's days of the date of the Notice of Violation, the fine will be dismissed. However, repeated violation of CVR MLS Rules and Regulations may result in other fines. (See Section 9.5 Multiple Violations).

If the Participant or Subscriber fails to correct the violation(s) within Participant's days of the Notice of Violation or submit satisfactory evidence refuting the alleged violation a "Notice of Fine" will be e-mailed to both the Participant and Subscriber. The violation must be corrected and the fine paid within five (5) days from the date of the Fine Notice subject to the Respondents right to request a hearing before the CVR MLS Compliance Committee. If the Participant or Subscriber fails to pay an assessed fine or to request a hearing within five (5) days of the Notice of Fine, the Participant or Subscriber found to be in violation will be suspended from CVR MLS and SUPRA Lockbox system until the violation has been corrected and the fine has been paid.

Section 9.7 Violation Review Hearings

If the recipient of a Notice of Fine wishes to dispute the finding of a violation or the sanction imposed, they may request a review within five (5) days of the date of the Notice of Fine. The review request should

include the Notice of Fine, the reason he or she is disputing the finding of violation and/or fine and any relevant supporting documentation.

Violation review hearings will be conducted in accordance with the procedures outlined in the NAR Code of Ethics and Arbitration Manual. The decision of the CVR MLS Board of Directors shall be final. An administrative fee of \$250 must accompany all appeal requests. If the CVR MLS Board of Directors reverses the hearing panels enforcement decision the administrative fee of \$250 and original hearing fee shall be refunded. Amended 6/13

Section 9.9 Lockbox Key Violations

Article 12 of the Rules and Regulations sets out the fines, penalties and procedures for violations of Lockbox security and Keyholder conduct.

Section 9.10 Breach or Threatened Breach

In the event of a breach or threatened breach by a Participant or Subscriber of any provision of these Rules and Regulations or other applicable Association Bylaw, CVR MLS shall be entitled to an injunction restraining the Participant and/or Subscriber from continuing with such breach or prohibiting the threatened breach. Nothing herein shall be construed as prohibiting CVR MLS from pursuing any other remedies available to it for such breach or threatened breach, including the recovery of monetary damages from the Participant and/or Subscriber. If an injunction, remedy, finding, judgment or award is granted to CVR MLS against a Participant and/or Subscriber, such Participant and/or Subscriber shall be liable for all of CVR MLS attorney's fees, court costs and expert witness expenses.

ARTICLE 10: VIRTUAL OFFICE WEBSITE “VOW” POLICIES

Section 10.1 VOW Defined

- (a) A Virtual Office Website (“VOW”) is a Participant’s Internet website, or a feature of a Participant’s website, through which the Participant is capable of providing real estate brokerage services to consumers with whom the Participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS Listing Information, subject to the Participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a Participant may, with his or her Participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the Participant’s oversight, supervision, and accountability.
- (b) As used in the section of these Rules, the term “Participant” includes a Participant’s affiliated non-principal brokers and sales licensees – except when the term is used in the phrases “Participant’s consent” and “Participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all VOWs, whether operated by a Participant, by a non-principal broker or sales licensee, or by an Affiliated VOW Partner (“AVP”) on behalf of a Participant.
- (c) “Affiliated VOW Partner” (“AVP”) refers to an entity or person designated by a Participant to operate a VOW on behalf of the Participant, subject to the Participant’s supervision, accountability and compliance with the VOW Policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a Participant. No AVP has the right to use MLS Listing Information except in connection with operation of a VOW on behalf of

one or more Participants. Access by an AVP to MLS Listing Information is derivative of the rights of the Participant on whose behalf the AVP operates a VOW.

- (d) As used in this section, the term “MLS Listing Information” refers to active Listing information and sold data provided by Participants to the MLS and aggregated and distributed by the MLS to Participants.

Section 10.2 MLS Listing Display

The right of a Participant’s VOW to display MLS Listing Information is limited to that supplied by the MLS(s) in which the Participant has participatory rights. However, a Participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.

Subject to the provisions of the VOW Policy and these Rules, a Participant’s VOW, including any VOW operated on behalf of a Participant by an AVP, may provide other features, information, or functions, e.g. Internet Data Exchange (“IDX”).

Except as otherwise provided in the VOW Policy or in these Rules, a Participant need not obtain separate permission from other MLS Participants whose Listings will be displayed on the Participant’s VOW.

CVR MLS prohibits the electronic display of other Participants and Subscribers listings outside the context of the Internet Data Exchange (IDX) and Virtual Office Website (VOW) policies and rules.

Amended 8/13

Section 10.3 Retrieval of Data

Before permitting any consumer to search for or retrieve any MLS Listing Information on his or her VOW, the Participant must take each of the following steps:

- (a) The Participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
- (b) The Participant must obtain the name of and a valid email address for each Registrant. The Participant must send an email to the address provided by the Registrant confirming that the Registrant has agreed to the Terms of Use (described in subsection (d) below). The Participant must verify that the email address provided by the Registrant is valid and that the Registrant has agreed to the Terms of Use.
- (c) The Participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The Participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The Participant must also assure that any email address is associated with only one user name and password.
- (d) The Participant must assure that each Registrant’s password expires on a certain date but may provide for renewal of the password. The Participant must at all times maintain a record of the name, email address, user name, and current password of each Registrant. The Participant must keep such records for not less than 180 days after the expiration of the validity of the Registrant’s password.
- (e) If the MLS has reason to believe that a Participant’s VOW has caused or permitted a breach in the security of MLS Listing Information or a violation of MLS rules, the Participant shall, upon request of the MLS, provide the name, email address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The Participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.
- (f) The Participant shall require each Registrant to review, and affirmatively to express agreement (by mouse click or otherwise) to, a “Terms of Use” provision that provides at least the following:

- i. That the Registrant acknowledges entering into a lawful consumer-broker relationship with the Participant
 - ii. That all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use
 - iii. That the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW;
 - iv. That the Registrant will not copy, redistribute, or retransmit any of the information provided except in connection with the Registrant's consideration of the purchase or sale of an individual property;
 - v. That the Registrant acknowledges the MLS's ownership of, and the validity of the MLS's copyright in, the MLS database.
- (g) The Terms of Use Agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the Participant. Any agreement entered into at any time between the Participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the Participant must be established separately from the Terms of Use, must be prominently labeled as such, and may not be accepted solely by mouse click.
- (h) The terms of Use Agreement shall also expressly authorize the MLS, and other MLS Participants or their duly authorized representatives, to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of Participants' Listings by the VOW. The Agreement may also include such other provisions as may be agreed to between the Participant and the Registrant.

Section 10.4 Contact Information Requirement

A Participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the Participant to ask questions, or get more information, about any property displayed on the VOW. The Participant, or a non-principal broker or sales licensee licensed with the Participant, must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that Participant and displayed on the VOW.

Section 10.5 MLS Listing Information Security

A Participant's VOW must employ reasonable efforts to monitor for, and prevent, misappropriation, "scraping", and other unauthorized use of MLS Listing Information. A Participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Section 10.6 Internet and Address Display

A Participant's VOW shall not display Listings or property addresses of any Seller who has affirmatively directed the Listing broker to withhold the Seller's Listing or property address from display on the Internet. The Listing broker shall communicate to the MLS that the Seller has elected not to permit display of the Listing or property address on the Internet. Notwithstanding the foregoing, a Participant who operates a VOW may provide to consumers via other delivery mechanisms, such as email, fax, or otherwise, the Listings of Sellers who have determined not to have the Listing for their property displayed on the Internet.

A Participant who lists a property for a Seller who has elected not to have the property Listing or the property address displayed on the Internet shall cause the Seller to execute a document that includes the following (or a substantially similar) provision:

Seller Opt-Out Form
Please check either Option a or Option b

- a. I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet. OR
- b. I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.
- I understand and acknowledge that, if I have selected option a, consumers who conduct searches for Listings on the Internet will not see information about the listed property in response to their search.

_____ Initials of Seller

The Participant shall retain such forms for at least one year from the date they are signed, or one year from the date the Listing goes off the market, whichever is greater.

Section 10.7 Comments and AVMs

(a) Subject to subsection (b), a Participant's VOW may allow third-parties:

- i. to write comments or reviews about particular Listings or display a hyperlink to such comments or reviews in immediate conjunction with particular Listings, or
- ii. display an automated estimate of the market value of the Listing (or hyperlink to such estimate) in immediate conjunction with the Listing.

(b) Notwithstanding the foregoing, at the request of a Seller the Participant shall disable or discontinue either or both of those features described in subsection (a) as to any Listing of the Seller. The Listing broker or agent shall communicate to the MLS that the Seller has elected to have one or both of these features disabled or discontinued on all Participants' websites. Subject to the foregoing, a Participant's VOW may communicate the Participant's professional judgment concerning any Listing. A Participant's VOW may notify its customers that a particular feature has been disabled "at the request of the Seller."

Section 10.8 Responsibility to Maintain Accurate Information

A Participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the Listing broker about the accuracy of any information that is added by or on behalf of the Participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The Participant shall correct or remove any false information relating to a specific property within 48 hours following receipt of a communication from the Listing broker explaining why the data or information is false. The Participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 10.9 Requirement to Refresh MLS Listing Information

A Participant shall cause the MLS Listing Information available on its VOW to be refreshed at least once every three (3) days.

Section 10.10 Limitation of Use

Except as provided in these rules, the NATIONAL ASSOCIATION OF REALTORS® VOW Policy, or any other applicable MLS rules or policies, no Participant shall distribute, provide, or make accessible any portion of the MLS Listing Information to any person or entity.

Section 10.11 Privacy Policy

A Participant's VOW must display the Participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 10.12 Criteria for Excluding Listings

A Participant's VOW may exclude Listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property, cooperative compensation offered by Listing broker, and whether the Listing broker is a REALTOR®.

Section 10.13 MLS Notification Requirement

A Participant who intends to operate a VOW to display MLS Listing Information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS Participants for purposes of verifying compliance with these Rules, the VOW Policy, and any other applicable MLS rules or policies.

Section 10.14 Participant Accountability

A Participant may operate more than one VOW himself or herself or through an AVP. A Participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a Participant by an AVP is subject to the supervision and accountability of the Participant.

Section 10.15 Restricted Information

A Participant's VOW may not make available for search by, or display to Registrants any of the following information:

- a. The compensation offered to other MLS Participants.
- b. The type of Listing agreement, i.e., exclusive right to sell or exclusive agency.
- c. The Seller's and occupant's name(s), phone number(s), or e-mail address(es).
- d. Instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property.
- e. Expired and withdrawn listings Rev 3/16

Section 10.16 Manipulation of MLS Listing Information

A Participant shall not change the content of any MLS Listing Information that is displayed on a VOW from the content as it is provided in the MLS. The Participant may, however, augment MLS Listing Information with additional information not otherwise prohibited by these Rules or by other applicable MLS rules or policies as long as the source of such other information is clearly identified. This rule does not restrict the format of display of MLS Listing Information on VOWs or the display on VOWs of fewer than all of the Listings or fewer than all of the authorized information fields.

Section 10.17 Disclaimer Requirement

A Participant shall cause to be placed on his or her VOW a notice indicating that the MLS Listing Information displayed on the VOW is deemed reliable but is not guaranteed accurate by the MLS. A Participant's VOW may include other appropriate disclaimers necessary to protect the Participant and/or the MLS from liability.

Section 10.18 Co-Branding of MLS Information

A Participant may display advertising and the identification of other entities ("co-branding") on any VOW the Participant operates or that is operated on his or her behalf. However, a Participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this Section, co-branding will be presumed not to be deceptive or misleading if the Participant's logo and contact information (or that of at least one Participant, in the case of a VOW established and operated on behalf of more than one Participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all Participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

Section 10.19 Information from Other Sources

A Participant shall cause any Listing displayed on his or her VOW that is obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the Listing.

Section 10.20 License Agreement Required

Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

ARTICLE 11: INTERNET DATA EXCHANGE (IDX) POLICY

IDX affords MLS Participants the ability to authorize limited electronic display of their listings by other Participants

Section 11.1 Display Authorization

Participants' consent for display of their active listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the Participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a Participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other Participants. Even where Participants have given blanket authority for other Participants to display their listings on IDX sites, such consent may be withdrawn on a Listing-by-Listing basis where the Seller has prohibited all Internet display.

CVR MLS has no obligation to grant a license to an IDX Participant or Participants Vendor who does not enter into a license agreement acceptable to CVR MLS. Any IDX Participant using a third party vendor to maintain their IDX display web site must enter into a written license agreement with CVR MLS and the Vendor in a form approved by CVR MLS.

Section 11.2.2 Use of IDX Listings

Section 11.2.3 Internet and Address Display

Listing content includes, but is not limited to, photographs, images, graphics, audio and video recordings, virtual tours, drawings, descriptions, remarks, narratives, pricing information, and other details or information related to listed property. (Amended 5/06)

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or "safe harbors" from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of "online service provider" broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

- (1) Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
- (2) Develop and post a DMCA-compliant website policy that addresses repeat offenders.
- (3) Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
- (4) Have no actual knowledge of any complained-of infringing activity.
- (5) Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
- (6) Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see 17 U.S.C. §512.

*The term MLS compilation, as used herein, shall be construed to include any format in which property listing data is collected and disseminated to the participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever. Rev 3/16

No third party may claim any right or benefit under or seek to enforce any of the terms and conditions of these Rules and Regulations.

If any provision of these Rules and Regulations shall be held to be invalid, illegal, or unenforceable, such holdings shall not affect the validity, legality or enforceability of the remaining provisions. These Rules and Regulations shall include any and all amendments thereto which may be from time to time approved and adopted by the CVR MLS Board of Directors.

ARTICLE 18: CVR MLS INTELLECTUAL PROPERTY

CVR MLS hereby grants to each

- a) Participant and Subscriber a limited, non-exclusive, and personal license to use the Listings maintained in the MLS Database only for purposes expressly allowed under the applicable Participant's or Subscriber's certification or licensure, these Rules and Regulations, and any applicable license agreement,
- b) Administrative User a limited, non-exclusive, and personal license to use the Listings maintained in the MLS Database only for purposes expressly allowed under the Participant's or Subscriber's certification or licensure for whom the Administrative User is using the Listings, these Rules and Regulations, and any applicable license agreement, and
- c) Assessor User a limited, non-exclusive, and personal license to use the Listings maintained in the MLS Database only for purpose of appraising real property.

Except as expressly authorized in these Rules and Regulations, each User agrees not to rent, lease, sublicense, distribute, transfer, copy, reproduce, display, modify, store, time-share, or otherwise use the MLS Database or the information maintained in the MLS Database. Each User further agrees to take all reasonable steps to protect the MLS Database and the Listings from unauthorized access, copying, or use.

Participant and Subscriber may, at their sole option, irrevocably grant, transfer and convey to CVR MLS all right, title and interest in and to all Listing Content under applicable copyright and other laws, on a worldwide basis and in perpetuity. If Participant and/or Subscriber does so irrevocably grant, transfer and convey such right, title and interest in and to all Listing Content to CVR MLS, then Participant and Subscriber represents and warrants to CVR MLS with respect to such Listings that the Listing Content, and the assignment of rights in and to the Listing Content to CVR MLS, do not infringe or violate any copyrights, trade secrets, or other intellectual or proprietary rights of any third party.

Each Participant and Subscriber agrees not to challenge CVR MLS's rights in and to the MLS Database or to take any action inconsistent with the assignment of the Participant's Listing Content to CVR MLS. Each Participant and/or Subscriber agrees to take all action and execute and deliver to CVR MLS all documents requested by CVR MLS in connection with any assignment granted to CVR MLS in and to the Participant's Listing Content, including without limitation, any copyright application and registration of the MLS Database.

If assigned to CVR MLS, then each Participant and Subscriber shall indemnify CVR MLS against all damages, costs, and liabilities, including reasonable attorney fees, arising from any claim that the Participant's or Subscriber's Listing Content or any portion of the Participant's or Subscriber's Listing Content infringes the rights of any third party. PARTICIPANT AND SUBSCRIBER ACKNOWLEDGE THAT THE FOREGOING SENTENCE MEANS THAT PARTICIPANT AND/OR SUBSCRIBER MUST OBTAIN ASSIGNMENTS

FROM THE AUTHORS OF ANY PORTIONS OF THE LISTING, INCLUDING AGENTS, PHOTOGRAPHERS AND SELLERS, AS NECESSARY FOR PARTICIPANT OR SUBSCRIBER TO ASSIGN THE COPYRIGHT IN THE LISTING CONTENT TO CVR MLS AND TO OTHERWISE MAKE FULL USE OF THE LISTING UNDER THESE RULES AND REGULATIONS. IF PARTICIPANT OR SUBSCRIBER FAIL TO DO SO, PARTICIPANT AND/OR SUBSCRIBER WILL ASSUME AND REIMBURSE CVR MLS FOR THE COST OF DEFENDING CVR MLS AGAINST INFRINGEMENT CLAIMS AND PAYING DAMAGES ON ANY SUCH CLAIMS.

Without limiting the generality of this Section, but subject to the rights of Participants in CVR MLS to opt out of inclusion with respect to Listings submitted by such Participant as set forth in these Rules and Regulations, Participant acknowledges and agrees that CVR MLS may use and license, or otherwise grant rights in or to the MLS Database or any or all of the Listings included in the MLS Database, including any and all Participant's Listings, to any third party for any lawful purpose reasonably deemed appropriate by CVR MLS, unless otherwise limited by a separate agreement between CVR MLS and the Participant or by these Rules and Regulations.

Enforcement. Participant, Subscriber, and/or Administrative User acknowledge that CVR MLS has the right to protect its intellectual property in and to the compiled Listing Content, including without limitation the following:

Add watermarks or other means of identification to any and all Listings, regardless of whether such means of identification is visible, and take any and all other action deemed appropriate by CVR MLS to identify the source of any misuse, infringement, or misappropriation of any Broker Participant's Listings. Send demand letters, exercise rights under any applicable license agreements, and take any and all other action deemed appropriate by CVR MLS to prevent the misuse, infringement, or misappropriation of any Broker Participant's Listings.

Enforce and compromise any and all intellectual property rights in the Participant's Listings, and take all action deemed necessary and appropriate by CVR MLS in connection with the enforcement of all such rights, including, without limitation, the filing and prosecution of litigation or binding arbitration with respect to any potential claim of infringement, misappropriation, or other similar claim, the naming of any parties deemed appropriate by CVR MLS, and the collection of any damages.

Execute all documents, whether in the name of Participant, Subscriber and/or CVR MLS, deemed appropriate by CVR MLS to affect any of the foregoing.

Notwithstanding the foregoing, nothing in these rules and regulations requires CVR MLS to take any proceeding or other action against any person, firm, partnership or other entity that Participant claims may be infringing any Listing Content. Rev. 3/16

ARTICLE 19: THIRD PARTY LICENSE AGREEMENTS

Subject to obtaining the consent of each Participant, each Participant and Subscriber acknowledges and agrees that CVR MLS may license, or otherwise grant rights, to a third party to the MLS Database or the IDX Database, or any or all of the Listings included in the MLS Database or the IDX Database, at any time in CVR MLS' sole discretion, for any purpose deemed appropriate by CVR MLS. In accordance with the foregoing, each Participant and Subscriber expressly consents to CVR MLS granting the licenses and other rights described in the foregoing sentence. If CVR MLS grants a license or other rights to Participant's Listings to any third party, all exclusive Listings, regardless of type, may be included in the feed of Listings. CVR MLS may exclude from such license or grant of rights any Listing where

- a. the Listing displays to the public the property's street address or a graphic display of the property's specific location, and
- b. the Seller displays on the property a "For Sale by Owner" sign or another sign or notice indicating that the Seller is soliciting direct contact from buyers.

Unless a Participant is not an IDX Participant, each Participant expressly consents to all IDX Participants and all Subscribers who are agents of IDX Participants advertising all IDX Listings for properties listed for sale by the Participant in accordance with these Rules and Regulations, and in connection with such advertising, each Participant consents to CVR MLS granting licenses to all IDX Listings to IDX Participants, Subscribers who are agents of IDX Participants, Vendors and other third parties deemed appropriate by CVR MLS to facilitate the display of IDX Listings by IDX Participants and applicable Subscribers.

ARTICLE 20: LICENSE TO PARTICIPANT'S LISTINGS

Upon the receipt of a written request from a Participant, in a form acceptable to CVR MLS, and so long as Participant, the applicable Subscriber, and/or the applicable Vendor are not in default under these Rules and Regulations or any agreement with CVR MLS, CVR MLS will grant to the Participant, the applicable Subscriber of the Participant, or the applicable Vendor a license to the Listings of such Participant. The license will only be granted pursuant to a license agreement acceptable to CVR MLS. CVR MLS has no obligation to grant a license to the Participant, any Subscriber, or any Vendor which does not enter into a license agreement. In addition to any applicable license fee payable by the Participant, Subscriber, and/or the Vendor, the Participant or Subscriber shall pay to CVR MLS all costs and expenses incurred by CVR MLS in connection with any licenses and any services provided by CVR MLS in connection with such licenses.

ARTICLE 21: COMPILATIONS AND STATISTICAL INFORMATION

Access to Comparable and Statistical Information: CVR MLS may allow individuals who are actively engaged in real estate brokerage, management, mortgage financing, appraising, land development, or building, but who are not Participants or Subscribers, to access comparable information, sold information, and statistical reports. This information is provided for the exclusive use of members of the REALTOR® Associations affiliated with CVR MLS who are also engaged in the real estate business and may not be transmitted, retransmitted or provided in any manner to any individual, office or firm except as otherwise provided in these Rules and Regulations.
