

Why I Wish to Serve on the CVR MLS Board of Directors

I am honored to submit my nomination to serve on the CVR MLS Board of Directors. I care deeply about our industry, our agents, and the communities we serve. Throughout my career, from Realtor® to Sales Manager and now Managing Broker, I have seen firsthand the essential role the MLS plays in maintaining the integrity, transparency, and effectiveness of our profession. It is far more than a tool; it is the foundation of how we serve our clients and support one another as professionals.

The opportunity to help shape the policies and future of the MLS is one I take seriously. The decisions made at the board level directly impact every agent, broker, and client who depends on our system to function with fairness, accuracy, and accountability. I believe this responsibility requires leaders who prioritize integrity, listen to their peers, and make informed, thoughtful decisions in the best interest of all members.

Supporting others, mentoring agents, and promoting high professional standards have always been central to my work. My service on the Grievance Committee, Communications Committee, and education in the RAR Leadership Development program have strengthened my belief in the value of strong, ethical leadership, especially in today's complex real estate landscape.

If elected, I will bring the same commitment, transparency, and care to the Board that I bring to my brokerage every day. It would be a privilege to serve and contribute to the continued growth and integrity of our MLS.
